Re: In The Matter of Blitz Ventures, LLC For A Certificate to Provide Electric Supply Services within the State Of Delaware (Submitted February 16, 2018) - PSC Docket No. 18-0120

Dear Ms. Pulliam,

The Delaware Public Service Commission ("Commission") is in receipt of the application (the "Application") submitted by Blitz Ventures, LLC ("Company") for certification to broker electric supply services in Delaware. Staff has submitted two deficiency letters dated February 28, 2018 and April 20, 2018 to the Company and to date, a response has not been received. **This Application will be considered abandoned and closed if a complete Application has not been received on or before June 16, 2018.** This submission utilized an outdated version of the application that does not comply with the Supplier Rules, revised in April of 2017. Please complete the current version of the application found here: <https://depsec.delaware.gov/electric-regulation/>. Additionally, the extent to which the Application is deficient cannot be fully addressed at this time. Please find a list of the current deficiencies below:

Section 2.2.1 Legal Name

- Exhibit F was not included in the submission.
 - Please provide copies of the Registration of Trade, Business & Fictitious Name certificates for each county in which the Company intends to do business.

Section 2.2.3 Authority to do Business

- Please provide a permanent copy of the Delaware business license.
- The Company provided a certificate of formation in place of a certificate of good standing.
 - Please provide a certificate of good standing for the state of Delaware.

Section 2.2.16 Financial Information

- The link to the financial statements of the parent company is no longer available. Also, according to the notes in Exhibit C, the financials are from 2016. These statements would not satisfy the requirement of financial ability needed to obtain a license in the state of Delaware.
 - Please submit a link to the parent financial statements that were generated within the last 12 months.
- The bank verification letter is not a letter of reference for accounts in good standing.
 - Please provide a letter of reference from the Company's banking institutions that state the Company's accounts are in good standing.

- Please provide this as a separate document. Please do not provide a copy of the document within a document.

Section 2.2.19 Retail Experience

- Professional résumés of Officers are public information and will be included in Staff's report.
 - Please file the professional résumé as public.

Section 2.1.6 Verification of Application

- Please provide a signed, sworn statement of verification for each subsequent filing in this docket.

Staff respectfully requests a response to this notice of deficiency on or before May 18, 2018. Please note that 26 *Del. Admin. C.* § 3001 (the "Supplier Rules") section 2.4 provides that incomplete applications will be closed four (4) months after the filing date. If the application is not completed within the four (4) month time frame the applicant forfeits their application filing fee and must resubmit the application with an additional filing fee. The responses and verifications can be uploaded as a subsequent filing in DelaFile under Docket No 18-0120.
